PART 5. ACKNOWLEDGMENTS

I direct GoldStar Trust Company ("GoldStar") to execute the purchase of the investment stated on this form for the benefit of my self-directed IRA. I hereby make the following acknowledgments, agreements and representations:

- · I understand that GoldStar is compensated through administrative fees and cash management fees.
- I am solely responsible for the selection of my Dealer and negotiation of prices and terms and GoldStar has made no representations or recommendations with regards to this Dealer. I have evaluated the risks involved with this transaction and have conducted the due diligence I felt appropriate on the Dealer I have selected.
- I authorize GoldStar to proceed with my instructions directed on this form (purchase, sale or exchange of precious metals) according to the details
 provided by my Dealer and without further written or verbal authorization from me.
- I acknowledge receipt of disclosure concerning price spread for proof coins from my Dealer, if applicable (see Investment Disclosures for Precious Metals IRAs).
- I acknowledge that this investment is not FDIC insured and may lose value. In addition, the investment selected by the undersigned may lack liquidity; may be speculative and involved a high degree of risk; and may result in a complete loss of the investment.
- I understand that if this Investment Direction and any accompanying documentation are not received as required, or, if received, are unclear in the
 opinion of GoldStar, or if there are insufficient undirected funds in my account to fully comply with my instructions to purchase the investment and to
 pay all fees, GoldStar may not process this transaction until proper documentation and/or clarification is received, and GoldStar will have no liability for
 loss of income or appreciation.
- I understand that neither GoldStar nor any employee or agent of GoldStar has selected or recommended any investment for me; and neither GoldStar nor any employee or agent of GoldStar has acted as a broker-dealer or salesperson in completing any purchase or sale of an investment of a security for me.
- I certify that the precious metals investment(s) directed on this form are not prohibited transactions as defined in the Internal Revenue Code; that the investments are in precious metals that are permitted to be held in an IRA pursuant to IRC 408(m)(3)(A)(i)-(iv) and 408(m)(3)(B); and that I have consulted with a legal or tax professional to the extent necessary for me to make this certification. I certify that I have not received any legal or tax advice from GoldStar or its employees.
- I am solely responsible for reading my IRA statement and confirming that precious metals quantities and prices, either bought, sold or exchanged, agree with arrangements I have made with my Dealer.
- I understand that precious metals investments are received by, stored at, and delivered from a depository. Annual fees are due for this storage, and neither GoldStar nor the depository is responsible for purity, weight, metal content, or authenticity of any coins or bars.
- I understand that, if my Representative or any other financial representative suggested that I retain the services of GoldStar as custodian for the
 Investment made through my IRA, that such person is not in any way an agent, employee, representative, or affiliate of GoldStar. I acknowledge
 that GoldStar is not responsible for and is not bound by any representations, warranties, statements or agreements made by my Representative or any
 financial representative beyond the terms and provisions contained in my GoldStar Custodial Account Agreement and other GoldStar forms.
- I understand that precious metals shall be stored at one of the depository options chosen by the account holder. I agree that if I do not indicate a depository, Delaware Depository will be the default depository. I understand and direct GoldStar to open the storage account in accordance to my elected storage method, Commingled or Segregated, with the depository I have selected. I also understand and agree that if I do not indicate a storage option, Commingled Storage will be the default storage option.
- Commingled: Investment choice whereby a storage firm maintains a client's precious metals in bulk by like kind. In other words, the precious metals received at time of sale or in-kind distribution will be of like kind, but not guaranteed to be the exact coins or bars originally bought. Segregated: Investment choice whereby a storage firm maintains a client's precious metals assets separately from all commingled assets held by other investors. Traditionally, the assets are held in an individual storage box or vault depending on the size of the investment assigned to each client. In other words, the precious metals you purchase are the exact physical allotments of gold, silver, platinum, or palladium that are protected in your storage space.
- The undersigned consents to the fee schedule of GoldStar as in effect, as may be modified from time to time. I understand transactions with
 insufficient funds will not be processed until sufficient funds are received. If fees are being deducted from my account, the full amount of the
 transaction plus fees must be available before the transaction can be processed.
- I understand that with exception of cash invested in an FDIC insured bank account, investments held in my IRA may lose value, are not FDIC insured, and are not guaranteed by GoldStar.
- I understand that if this Investment Direction and any accompanying documentation are not received as required, or, if received, are unclear in the
 opinion of GoldStar, or if there are insufficient undirected funds in my account to fully comply with my instructions to purchase the investment and to
 pay all fees, GoldStar may not process this transaction until proper documentation and/or clarification is received, and GoldStar will have no liability for
 loss of income or appreciation.
- An IRA may hold investments in certain precious metals allowed by the Internal Revenue Code. Coin or bullion that is not specifically permitted are considered to be collectibles and are disallowed for IRAs. The allowable exceptions were broadened by the Taxpayer Relief Act of 1997, effective January 1, 1998. The specific precious metals permitted are: silver, gold and platinum American Eagle coins, a coin issued under the laws of any State, and gold, silver platinum or palladium bullion that meets the minimum fineness requirements. Currently, gold must be .9950 pure, silver must be .9990 pure, and both platinum and palladium must be .9995 pure to qualify. Bars, rounds and coins must be produced by a refiner, assayer or manufacturer that is accredited/certified by NYMEX, COMEX, NYSE/Liffe, LME, LBMA, LPPM, TOCOM, ISO 9000, or national government mint in order to be accepted by GoldStar. Proof coins must be ungraded, complete with certificate of authenticity and in original mint packaging. Bullion coins must be uncirculated in excellent condition.

I understand that if in any respect such representations and warranties shall not be true and accurate prior to delivery of the funds to the Investment, I shall give written notice of such fact to GoldStar specifying which representations are not true and accurate and the reasons therefore.
