WITHHOLDING NOTICE INFORMATION (Form W-4P/PMB NO. 1545-0074)

Basic Information About Withholding From Pensions and Annuities. Generally Federal income tax withholding applies to payments made from pension, profit sharing, stock bonus, annuity and certain deferred compensation plans, IRAs and commercial annuities.

Purpose of Form W-4P. Unless you elect otherwise, Federal income tax will be withheld from payments in Individual Retirement Accounts (IRAs). You can use Form W-4P, or a substitute form, such as that contained on this form, furnished by the Custodian, to instruct your Custodian to withhold no tax from your IRA payments. This substitute form should be used only for distributions from IRAs which are payable upon demand.

Nonperiodic Payments. Payments from IRAs that are payable upon demand are treated as nonperiodic payments for Federal income tax purposes. Generally, nonperiodic payments must have income tax withheld at a rate not less than 10 percent.

You can elect to have no income tax withheld from a nonperiodic payment (IRA payment) by filing Form W-4P or a substitute form with the Custodian and checking the appropriate box on that form.

A U.S. citizen or resident alien may not waive withholding on any distribution delivered outside of the U.S. or its possessions. Distributions to a nonresident alien are generally subject to a tax-withholding rate of 30 percent. A reduced withholding rate, including exemption, may apply if there is a tax treaty between the nonresident alien's country of residence and the United States, and the nonresident alien submits Form W8-BEN, Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding, or satisfies the documentation requirements as provided under the regulations.

For more information, please see Publication 505, Tax Withholding and Estimated Tax, and Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities, available from most IRS offices.

Caution: Remember that there are penalties for not paying enough tax during the year, through either withholding or estimated tax payments. New retirees should see Publication 505. It explains the estimated tax requirements and penalties in detail. You may be able to avoid quarterly estimated tax payments by having enough tax withheld from your IRA using W-4P.

Statement of Income Tax Withheld From Your IRA. By January 31 of next year, you will receive a statement from GoldStar showing the total amount of your IRA payments and the Federal income tax withheld during the year. Copies of Form W-4P will not be sent to the IRS by GoldStar.

Note: Excess contribution removed after an account owners extended tax filing deadline are subject to a 6% penalty for each year the excess contribution remains in the account. Please contact the IRS or your tax advisor with any questions. For more information, please see Publication 590 and the instructions to IRS Form 5329.
